Shore and Harbor Planning Program Summary
(A Comprehensive Plan Update and Implementation Program)

Statewide Program Goals:

Ensure sustainable and vibrant coastal communities: help coastal communities support marine and coast-related economic growth, coastal resource conservation and maintenance of community character.

Promote sound waterfront planning, harbor management and balanced development of shore and harbor areas:

- Sound waterfront planning and harbor management.
- Balanced development of shore and harbor areas.
- Advanced planning for waterfront infrastructure improvements and access to the shore.

Kittery Program Purpose:

Town wishes to support sustainable marine and coast-related economic growth, coastal resource conservation and maintenance of community character.

Town is faced with significant operational and maintenance burdens and wishes to update the Comprehensive Plan and prepare a specific Shore and Harbor Plan to guide managing operational expenditures and capital maintenance needs.
